Contrasting Sports Trim interior, Air Conditioning, IMMACULATE AND ULTRA LOW MILEAGE EXAMPLE OF THIS ICONIC SUBARU - ONE OF THE RAREST VERSIONS EVER MADE - LEGENDARY 22B - ONLY 400 EXAMPLE MADE WORLD WIDE. ONLY A HANDFUL MADE IT TO THE UK. The 22B is distinguished by its Wider Track than the STI, Special Flared Arches, Suspension Upgrades, Other Special Bodywork and Extras such as Adjustable Rear Spoiler, Numbered Plaque, Special Badges, Short Shift Gearbox, Adjustable Diff, Waterspray etc. This Example was Imported Brand New to the UK by Warrender. It was never used abroad and is therefore fully documented with all Bills and History from new including the original purchase invoice. We even have photographs of it arriving in the UK on a transporter. It was purchased new on 1.9.99 by Mr Shuttleworth of Lancaster. It was then bought back by Warrender in 2001 and sold to Ms Agarwal. She sold it to David Bowyer later that year. He pampered the car until 2008 when he sold it to the last owner from whom we acquired the vehicle. The car is totally standard and as it left the factory apart from a light upgrade to the exhaust and induction (carried out and documented by Graham Goode Performance of Leicestershire). The car was also mapped for UK fuel. We have the original air box. The car has been cosseted and garaged all of its life and is in faultless condition. It will be treated to a service and new MOT on delivery to its new owner. A true collectors car in perfect condition with all Books, Keys and Documents....Simply Wonderful!
