Black Leather/Red Stitch interior, If you are looking for a no questions car then look no further.

We searched high and low for the best example - so many have huge history gaps, poor maintenance, a zillion owners and/or poor body and trim.

We think this is the prettiest modern classic Ferrari ever - and most rare and desirable in manual berlinetta form with added structural rigidity over the convertible and GTS.

Finished in ultra desirable Rosso Corsa (FER300/12) with very rare Factory Carbon Seats swathed in Black Hide Stitched in Red.

Supplied new by JCT600 of Leeds on 01/08/1997 - R100 SVO(the cars original plate which is now on the car) has led a pampered life with only 3 previous owners now on the V5.

Some pics might show the previous owners plate which is now retained.

This model features the later 5.2 Motronic Injection Unit and Twin Airbags.

Complete with all original books and service book in its leather pouch.

The car has been serviced 20 Times by virtually all main Ferrari Dealer - JCT, Graypaul and then Dick Lovett Swindon with the last owner who bought the car in 2005.

Last Service by Dick Lovett 18,340m, September 2018.

As well as the service stamps the car comes with virtually every receipt and invoice plus MOT from new.

In immaculate condition throughout - she drives and sounds as well as she looks.

Complete with Tool Kit and Spare Keys and Remotes (including Red one!) plus wired for trickle charge - a wonderful and enjoyable investment.

Plate included!
