Carbon Sabelt Racing Seats interior, We are very pleased to be able to offer one of the Finest Remaining and Lowest Mileage Examples of this Ultra Rare Model. Finished in Deep Black (Noir Profond). This car comes complete with the all important FACTORY OPTION ROLL CAGE AND TITANIUM EXHAUST - gloss black alloy wheels and graphics pack. Being an R26.R it also features Sabelt bucket seats and harnesses, a full carbon bonnet, perspex rear windows, reduced sound deadening, half roll cage, short shift gear change, suede/leather steering wheel and revised suspension settings to allow for the 100+kg weight saving over the standard R26. The car is very original and standard - Recently Serviced and MOT with correct 5W40 Oil, completed 10.06.2020 at 11,679m

Period Alpine Head Unit

Renaultsport Mats.

Fastidious Service history with Renault and Specialists such as Rentech - large £1600+ plus service done at 7351mm to include Cambelt, Water Pump Aux belt and all oils and fluids plus new Brembos with EBC Yellow Stuff Brake Pads.

Excellent Yokohama AD08Rs all round.

Factory Panels with Perfect Shut Lines and we believe Original Paint and Stickers - Carbon Bonnet Exceptional - Hardly a mark on the car bar a few small chips on plastic front bumper, touched in.

There are still factory markings on many components.

All polycarbonate windows are pristine and not crazed like many examples.

Interior and Wheels Immaculate - still smells new.

Car has had 3 previous enthusiast owners prior to the current owner who has owned the car twice - he has an incredible knowledge of the marque and is known on Instagram and Various Forums '@r26driver' - The car has been garaged and detailed more than it has been driven- including regular cleaning underneath (incredible condition underneath). Little or no wet or winter use.

All keys, original books and ancillaries, HPI Clear.

Must be one of the best remaining examples of this 'Front Wheel Drive GT3' and former Nurburgring Nordschleife front wheel drive record holder- no 036 of a supposed 230 Examples made - HOWEVER only around 70 show registered currently on the 'How many left' website - values are rising now - a truly enjoyable and quirky
