**Transmission: Manual**

**Mileage: 16270 miles**

**Age: 2005 / 05 Plate**

**Colour: Carbon Black Metallic**

**Body: 2 door Convertible**

Dove Grey Nappa Leather interior, Quite Simply the best example of an E46 Manual that we have ever seen - this model needs little introduction to the die hard enthusiast - the finest incarnation of the last normally aspirated M3 model ever produced = the legendary S54 engine mated to the beautiful 6 speed manual gearbox makes a heady and addictive drive.

The unmistakable flared arches and fabulous build quality make this shape one of our favourite of all time.

We sold this example 4 years ago (with 13,000m) to one of our most fastidious and knowledgeable clients and have just managed to prise it back after lengthy negotiations! It has now covered a mere 16,270m and has not seen rain for at least 5 years. it has been cosseted and serviced only by BMW main agents and undertook a 2 Stage Enhancement Polish and Ceramic Coating in September 2018 plus full leather treatment and deep clean.

The bodywork is simply breathtaking and we believe to be totally original paint and panels throughout with a deep lustre and virtually no marks or scratches whatsoever.

The gorgeous 19inch Alloys are perfect and shod with nearly new Michelins all round (the two fronts were the originals and only needed replacing due to age!)

The leather is supple and unmarked throughout as are the carpets and interior trim.

The car has both keys plus all original books, service book and telephone pin code and instructions.

Tool kit and inflation kit all intact and perfect.

The options are working Satellite Navigation Pro with TV, Centre Arm Rest, Heated Seats and Bluetooth plus 19inch Alloys and CD Player, Electric Lumbar Support, Park Distance Control, Hard Top Preparation.

Standard features include Full Leather, Automatic Xenon Lights, Electric Memory Seats, Auto Wipers, Climate Control, Sport Mode, Electric Black Hood, Central Locking and Factory Alarm and Immobiliser.

The service history is as follows - PDI Soper BMW 28/02/2005, Running in Service 1,297m 16/05/2005 (Soper BMW), Oil Service 7,400m 03/03/2008 (Soper BMW), Inpection 2 Service 11,418m 28/02/2012 (Listers BMW Boston), Oil Service 12,925m 19/06/2014 (Listers BMW Boston), Inspection 1 Service 13,146m 24/04/2016 (BMW Park Lane), Oil Service 14,731m 30.11.2018 (Snows BMW Hants), Inspection 2 Service 15,785m 30.09.2020 (Marshall BMW Salisbury)

There is a whole file of supporting invoices plus all MOTs dating back to 2009.

The car has its original Soper BMW Plates from the day it was supplied new, its Soper BMW Tax Disc Holder, Key Ring and original glass with Running in Sticker still on the

Windscreen.

It drives tightly and feels as good as it looks on the road

Not cheap but the best you will find and an unrepeatable and bullet proof enjoyable investment.

Only serious enquiries please
