- We sold the car to a retired local gentleman who has covered less than 100m and stored it in his garage - we just bought the car back as he simply wasn't using it! The car is in standard and in Immaculate ORIGINAL condition , not to be confused with your usual modified/poorly serviced/thrashed examples.

Beautifully specified in Tornado Red with a host of desirable factory options - VERY RARE AND THEN DISCONTINUED PANORAMIC GLASS TILT AND SLIDE SUNROOF, CRUISE AND PARK PACK WITH CRUISE CONTROL AND REAR SENSORS WITH VISUAL DISPLAY, LIGHT AND SIGHT PACK WITH AUTO LIGHTS, HEATED SEATS AND AIR CONDITIONING.

Having driven nearly every type of car in my life, I thoroughly enjoy this little rocket. It pulls like a train with a superb exhaust note and handling is reminiscent of my early driving years in my 205 GTI 1.9 Peugeot. Precise and well judged steering and 'just enough' grip for some serious fun.
