Black Half Leather interior, IMMACULATE 2024 Skoda Enyaq 85 with Latest Battery PLUS PEACE OF MIND OF SKODA WARRANTY TO FEBRUARY 2027 plus longer BATTERY WARRANTY TO 2032 - As a fully electric vehicle, it boasts an impressive battery total capacity of 82 kWh, providing a maximum range of 351 miles. Charging at home on a 7kW charger will take approximately 13 hours, while rapid public charging can replenish the battery from empty to 80% in as little as 28 minutes. This Enyaq is equipped with convenient features such as Bluetooth connectivity, Dual Zone Climate Control for personalised comfort, and a Light and Rain Sensor system that includes automatic headlights and an auto dimming rear view mirror. Parking is made easier with a REAR VIEW CAMERA and front and rear parking sensors. The Skoda Enyaq 85 stands out with several key highlights that enhance its appeal. Its acceleration is notably brisk, achieving 0 to 60 miles per hour in just 6.5 seconds, demonstrating a responsive driving experience. Furthermore, the vehicle offers a generous boot space, making it highly practical for everyday use and longer journeys. These attributes, combined with its substantial 351 mile maximum range, position the Enyaq 85 as a compelling choice for those seeking an efficient and capable electric vehicle.
