£195

This 2021 BMW i3 boasts exceptionally low mileage for its age, having covered just 17,547 miles, and comes with a clear vehicle history check and FULL BMW SERVICE HISTORY. As a fully electric vehicle, it offers a substantial battery total capacity of 42 kWh, providing a maximum range of up to 190m. Charging is convenient, with a full charge at home using a 7kW charger taking approximately 5 hours and 15 minutes, while rapid public charging can achieve 80% capacity in as little as 40 minutes. This particular i3 is well equipped with a desirable PANORAMIC GLASS SUNROOF, a luxurious Interior World Suite featuring Vernasca Dark Truffle LEATHER and Dalbergia Brown Cloth, and a comprehensive Park Assist Package including front and rear sensors and a rear camera. For an enhanced audio experience, it includes the Loudspeaker System from HARMAN KARDON, also part of the i3 Plus Package with 20inch ALLOYS and Rear Privacy Glass. It also features HEATED SEATS and APPLE CAR PLAY. The performance of this BMW i3 is noteworthy, with an impressive 0 to 62mph acceleration time of just 7.3 seconds, demonstrating its responsive electric powertrain. These highlights, such as the rapid acceleration and the extensive list of premium features including the Harman Kardon sound system and the advanced Park Assist Package, set this vehicle apart from others in its class. The combination of its low mileage, electric efficiency, and desirable specifications makes this 2021 BMW i3 a compelling choice for those seeking a refined and capable electric car.

THIS IS A RARE FIND and still one of the best Small Electric Cars - we have sold well over 120 of these and HIGH SPEC ONES WITH LOW MILEAGE ARE THIN ON THE GROUND - This was a BMW Management Car then One Private Owner from New, parked on a private road and well cared for - complete with TWO Keys, All Books and Documents, Public and 3 Pin Charger, HPI Checked and Clear.....Just Arrived
