Jacara Cheque Cloth interior, IF YOU ARE LOOKING FOR AN IMPECCABLE UP!GTi THEN LOOK NO FURTHER! - This car was supplied to its one careful owner (A Collector of Aston Martin and Rolls Royce)) in January 2019 by Motorline VW Gatwick. It has been serviced on the dot every year by the supplying Main Dealer at 2650m, 4981mm, 6822m and then by West Hoathly Garage Ltd (Rolls Royce Specialist) at 8062m, 11056m, 16018m and 19346m 20/06/2025

The car is in standard and in 'as new' standard condition and highly original, not to be confused with your usual modified/poorly serviced/thrashed examples.

Beautifully specified in Tornado Red with very factory option - PANORAMIC GLASS TILT AND SLIDE SUNROOF, CRUISE CONTROL AND PARK PACK WITH PARKING SENSORS AND REAR CAMERA, HEATED SEATS, AUTOMATIC CLIMATE CONTROL INSTEAD OF USUAL BASIC AIR CONDITIONING, BEATS UP GRADED SOUND SYSTEM, CITY BRAKING SYSTEM, HEIGHT ADJUSTABLE SEATS and BOOT PROTECTOR.

Having driven nearly every type of car in my life, I thoroughly enjoy this little rocket. It pulls like a train with a superb exhaust note and handling is reminiscent of my early driving years in my 205 GTI 1.9 Peugeot. Precise and well judged steering and 'just enough' grip for some serious fun.

Complete with FULLY DOCUMENTED SERVICE RECORD, all Books and Documents, 2 Keys. Hpi Clear. Wonderful Value and near Impossible to find with this spec.

No longer in production so a sure fire future classic!
