A rare opportunity to own one of BMW's most celebrated roadsters – this stunning BMW Z3 2.8 in classic Montreal Blue metallic captures the essence of the model's evolution from concept to icon. Born from BMW's proud motorsport heritage, the Z3 was the first modern BMW to combine timeless roadster styling with genuine performance engineering. The 2.8-litre straight-six represents the pinnacle of that era – smooth, powerful, and wonderfully engaging.

This cherished example has covered very low mileage and boasts an impeccable service pedigree: 15 service stamps, the majority from BMW main dealers and respected specialists. The most recent Inspection II major service was completed at 48,777 miles on 04/02/2025, ensuring mechanical excellence and peace of mind.

It has only had three owners from new, the first ordered it from Vines BMW Guildford in 1998 and owned it to 2018.

Presented in exceptional condition throughout, it features new brake discs and recent premium tyres, offering confident, precise handling. The black leather interior is beautifully preserved, complemented by a power hood, power-adjustable seats, and electric mirrors – all functioning perfectly. It has had a brand new Hood fitted in last two years.

Supplied with two keys, all original books and documentation, Original Tonneau Cover, Rare Rear Windscreen Protector Still in its Bag, First Aid Kit and a history file that reflects meticulous care, this Z3 stands as a true collector's example.

With its blend of classic design, robust engineering, and modern usability, this Montreal Blue Z3 2.8 is more than just a car – it's a piece of BMW's roadster legacy, ready to be enjoyed or cherished for years to come.
