Volkswagen up!

1.0 TSI GTI Hatchback 5dr Petrol Manual Euro 6 (s/s) (115 ps)

£16,590

If you are looking for an EXCEPTIONAL Up Gti then this 2022 Volkswagen up TSI GTI is a standout example, boasting a full dealership service history and a clear vehicle history check, ensuring complete peace of mind. Finished in gorgeous KINGS RED Premium Paint (very rare). This ONE OWNER vehicle has covered a mere 17060 miles, significantly low for its age, and its MOT remains valid until April 2026. Under the bonnet, you'll find a spirited 1.0 litre petrol engine, delivering an impressive 0-62mph in just 8.8 seconds. This GTI model comes equipped with the desirable CRUISE CONTROL and Park Pack, featuring front and rear parking sensors along with a REAR CAMERA, and a Winter Pack that includes heated front seats for those colder journeys. Convenience is further enhanced by AUTOMATIC CLIMATE CONTROL and Bluetooth connectivity for your telephone and audio devices. Included also is Light and Sight Pack with Auto Lights plus Height Adjustment on passenger seat. Having driven nearly every type of car in my life, I thoroughly enjoy this little rocket. It pulls like a train with a superb exhaust note and handling is reminiscent of my early driving years in my 205 GTI 1.9 Peugeot. Precise and well judged steering and 'just enough' grip for some serious fun.

Wonderful Value and near Impossible to find with this spec. No longer in production so now becoming a modern classic.
